

REMARKS

In the Office Action marked "non-final" and dated July 17, 2007, Examiner imposed a restriction requirement on the inventive subject matter claimed by Applicant in the present Application.

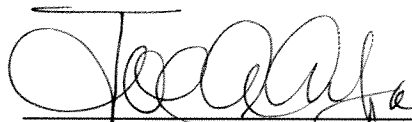

In response, Applicant hereby withdraws claims 1-4, 6-8, and 20-21 (i.e., Group I) from further consideration by Examiner. Given that original claim 5 was previously cancelled by Applicant in an Amendment dated January 13, 2006, claims 1-8 and 20-21 are all now withdrawn from Examiner's consideration at this time.

In sum, therefore, Applicant hereby elects to have examination of the present Application be restricted to the inventive subject matter set forth in claims 9-19 (i.e., Group II). Thus, claims 9-19 now remain pending in the present Application for Examiner's consideration.

Should Examiner have any questions with respect to any matter now of record, Examiner is invited to contact Applicant's undersigned attorney at (248) 433-7200.

Respectfully submitted,
